

# MORRIS CAT#'s: 52253-52258

## Fiberglass Fish Tape

### Features:

- High Impact Storage Case & one piece Nylon Handle
- Comfortable Slip Resistant Gripping Surface
- Fiberglass non-conductive properties for safer pushing/pulling in occupied duct & panel boxes
- Fiberglass fish tape is the fastest manual fish tape available Due to the Non-Conductive materials, the tip is susceptible to breakage. Tip must be repaired by user
- Returns due to tip breakage will not be accepted
