

# Heavy Duty Solenoid Voltage & Continuity Tester **MORRIS CAT#: 59100**

## Features:

- Test Voltage from 120V to 600V AC/DC
- Non-Contact Voltage Sensor from 90V to 1000V
- Test Continuity & Polarity
- Case serves as prod holder for one-hand operation
- Self-Storing prods
- Solenoid Sensing indicated by LEDs & Vibration
- Ergonomic Soft PVC housing for comfort grip
- LED Spotlight Illuminates Work Area
- Battery not Included (AAA x 1)
