

# 15 & 20 AMP GFCI OUTLETS

**MORRIS'** line of GFCIs brings an ETL Listed, high quality product to the market. With Standard, Tamper Resistant, and Tamper Resistant/Weather Resistant versions, **MORRIS** offers GFCI solutions for residential and commercial construction. The **MORRIS** GFCI is easy to install due to slim design and back-wire pressure plates. Finish off your installation with the included color-matched wallplate.
